## RON PAUL "PLAN TO RESTORE AMERICA"

**RON PAUL** 

RESTORE AMERICA NOW

#### SYNOPSIS:

America is the greatest nation in human history. Our respect for individual liberty, free markets, and limited constitutional government produced the strongest, most prosperous country in the world. But, we have drifted far from our founding principles, and America is in crisis.

Ron Paul's "Restore America" plan slams on the brakes and puts America on a return to constitutional government. It is bold but achievable. Through the bully pulpit of the presidency, the power of the Veto, and, most importantly, the united voice of freedom-loving Americans, we can implement fundamental reforms.

### DELIVERS A TRUE BALANCED BUDGET IN YEAR THREE OF DR. PAUL'S PRESIDENCY:

Ron Paul is the ONLY candidate who doesn't just talk about balancing the budget, but who has a full plan to get it done.

#### SPENDING:

Cuts \$1 trillion in spending during the first year of Ron Paul's presidency, eliminating five cabinet departments (Energy, HUD, Commerce, Interior, and Education), abolishing the Transportation Security Administration and returning responsibility for security to private property owners, abolishing corporate subsidies, stopping foreign aid, ending foreign wars, and returning most other spending to 2006 levels.

#### **ENTITLEMENTS:**

Honors our promise to our seniors and veterans, while allowing young workers to opt out. Block grants Medicaid and other welfare programs to allow States the flexibility and ingenuity they need to solve their own unique problems without harming those currently relying on the programs.

#### CUTTING GOVERNMENT WASTE:

Makes a 10% reduction in the federal workforce, slashes Congressional pay and perks, and curbs excessive federal travel. To stand with the American People, President Paul will take a salary of \$39,336, approximately equal to the median personal income of the American worker.

#### TAXES:

Lowers the corporate tax rate to 15%, making America competitive in the global market. Allows American companies to repatriate capital without additional taxation, spurring trillions in new investment. Extends all Bush tax cuts. Abolishes the Death Tax. Ends taxes on personal savings, allowing families to build a nest egg.

#### **REGULATION:**

Repeals ObamaCare, Dodd-Frank, and Sarbanes-Oxley. Mandates REINS-style requirements for thorough congressional review and authorization before implementing any new regulations issued by bureaucrats. President Paul will also cancel all onerous regulations previously issued by Executive Order.

#### MONETARY POLICY:

Conducts a full audit of the Federal Reserve and implements competing currency legislation to strengthen the dollar and stabilize inflation.

#### CONCLUSION:

Dr. Paul is the only candidate with a plan to cut spending and truly balance the budget. This is the only plan that will deliver what America needs in these difficult times: Major regulatory relief, large spending cuts, sound monetary policy, and a balanced budget.
