

# The Church in Haiti Needs Our Help!

## *MARY DAVIS MINISTERING CHRIST IN SOUTH WESTERN HAITI*

### *SPOTTING 14 CHURCHES' NEEDS*

Dear Friends,

I praise God for your prayers and support to make a difference in the spiritual lives of the people of Haiti through the church in Haiti. The church of Haiti so needs our help.

Please continue to pray for 90% of the people in South-West Haiti who struggle to survive and the churches which suffered loss from Hurricane Matthew. They do not have the resources to rebuild. These dear Christians need a place to worship God. We pray for help to rebuild the church in Southwest Haiti.

More important yet it is to build them up in their faith in God. God has made a wonderful opportunity to give the gospel 'house to house' and 'hut to hut' in Haiti:

- 167 decisions this year from January to June
- 29 opportunities to teach
- Eight Bible seminars on encouraging evangelism for 340 church leaders.

When I return to Haiti in August I plan...

- \*to continue in evangelism with different Church teams,
- \*to promote discipleship lessons to new converts and
- \*to participate in TEN more 2-day seminars

"The love of God can change the world for the glory of God -- LIVE IT. TELL IT!"

Please pray with me for these needs to be met in Haiti :

† Hungry people to have food

† churches to be rebuilt

† cost of Bible seminars to be met

† Bibles, Bible Outlines, Discipleship Lessons for those attending

\*†\* A Missionary couple to join us in this life-changing work: another light in the darkness, another life transferred from the power of Satan to the power of God.

Acts 17:3 "(Paul preached) Christ needed to suffer and rise from the dead : and that this Jesus...is the Christ V. 6 (It was said of Paul and others with him) "...These that have turned the world upside down are come here too!"

Let's tell people about Jesus and turn our world upside down too! - Mary4Haiti Davis
