Our Year 2016 Report: 225 Decisions for Christ in 7 months

Dear Supporting Friends and Family,

I rejoice to report that 225 people to whom I have witnessed made decisions for Christ in the 7 months of my 2017 ministry to Haiti.

For three months I was in USA with family and friends: In May during rainy season I attended my grandson’s graduation; in October, we had to recover from hurricane Matthew, and in November, I suffered a fractured wrist from a motorcycle mishap while taking discipleship lessons to a mountain church in Camp Perrin. I have just regained use of my wrist and am retraining my fingers to work.

We are blessed to enlarge our evangelism ministry to transport ministry teams in a car provided by a friend of Pastor Prince in Florida. There will be an additional expense to maintain it. As we prepare to contact the churches we have been involved with before the hurricane, to determine their current needs and to continue in evangelism and discipleship with them, we are struggling because we have very little additional resources to help them.

I praise the Lord I could come to Haiti self-supported by USA Social Security. However to be a blessing to our Haitian brothers and sisters, we ask for your prayers for their needs: food, building materials to rebuild homes & churches, ministry auto maintenance, tracts and bibles.

I came to Haiti with purpose to show a poverty stricken country that GOD loves them and the need to trust HIM in every situation; that our faith in GOD is real— to live for, and be willing to die for.

“Where there is no vision, the people perish.” We all need GOD’s vision: To gather a holy devoted people in complete fellowship with HIM “as ONE” in the image of HIS GLORY. Amen. PRAISE THE LORD!

Figure 7 We were invited to church up mountain path ½ hour and then we parked motorcycles and walked a mile to the church in the mountain.

Figure 9 By the time church started, it rained so hard you could not see out the door in the back. They heard about salvation through Christ and need for discipleship of new believers. They made commitment for discipleship class and made plan for evangelism with us following week. There were 2 decisions and other witness for church to follow up on.
