Dear Friends:

After attending the mission school in Spencer, Ohio April 2014, I have been in Haiti for nearly 2 years with trips back to visit family every June and Christmas and will be back home this June.

In Haiti, I have served God as an evangelist with Haitian pastor translator, Pastor Prince Jean Wilfrid sharing the “Bon Nouvel” house to house, hut to hut and in schools. God has so blessed us with

over 400 decisions for Christ in 2014 and 400 in 2015. We speak in churches to encourage them in evangelism. It has been said that evangelism is “one beggar telling another beggar where he found bread.” Upon request we accompany the pastor to reach his community for Christ, to plant or build his church. We are presently doing this for church plants in **Chantel** and **Ducis**. We praise the Lord as we see the people who have made decisions with us attending church. In Chantel they were willing to sit on the ground until we provided them with pews.

As we go we see the struggles of pastors and churches in Haiti and want to help them.

We are also contributing to the start of a church in **Bomand** [Bonbon, map] near **Jeremie** where there are no other churches in their area. The people are so excited with the start of the church there. When the church is finished they want to build a school for their children. With a US contribution of \$320US we were able to contribute to the funeral cost of the pastor’s son in Bomand as well as to provide paint and cement for 3 other church restoration projects. Praise the Lord.

With the theme of Haitians Helping Haitians, I am contacting US Haitian churches to help the Church in Haiti. Please pray with me that God would bless His people in Haiti as they look to Him with all their heart.

To God be the Glory
