Dear Friends and Family

Last Saturday, Pastor Prince preached a fiery message, "I can't stop thanking Him" which was broadcast on Radio Lumiere. On Sunday, a young mother abandoned a baby under a tree nearby and we have been caring for her this week; we call her "Rose". Also the church here has cooperated together to raise money and paint the church as a church family project.

And yes, Pastor Prince and I do praise the Lord for decisions for Christ in 2016:

January: 23; February: 44.

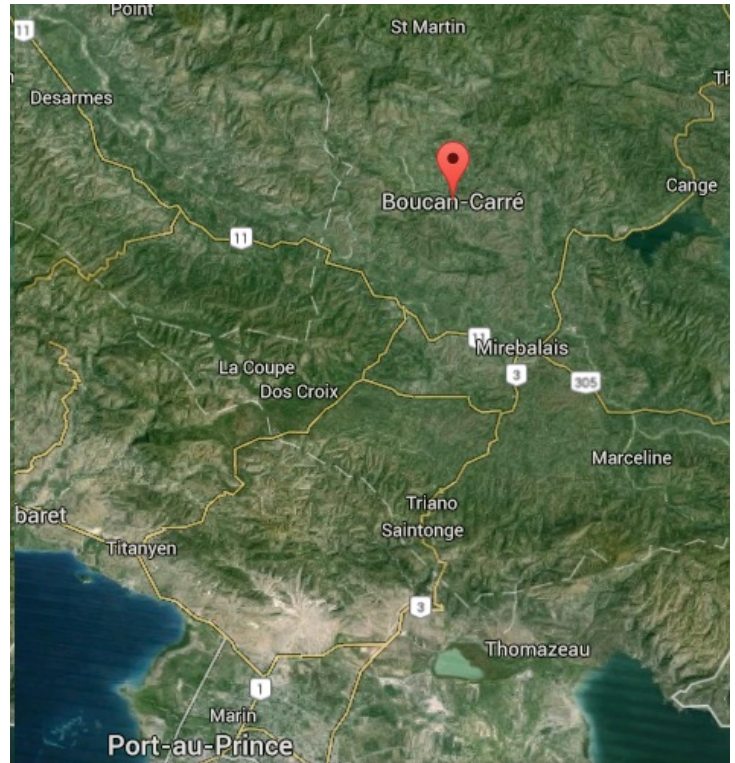

We also thank Him for blessing us in travel by motorcycle, along the sea, over many rough roads, and into the mountains with safety and protection.

We thank Him also for the many opportunities He has given us which include

- to go with Pastor Olus, who is planting a church on the mountain side of **Chantel** where last week on a return visit, an elderly man received Christ;
- to go with Pastor St. John, who is planting a church past Beraud and Ducis, in **Castin** where 11 children gathered to hear the gospel with the wordless book of colors, and accepted Christ;
- for flexibility when Pastor Branche d' Homme called and asked us to go on evangelism with him in **Coteaux**, along the sea, Tuesday to a very poor community where he was born, where 6 people including a married couple prayed to receive Christ and a family asked us to return next Tuesday, when they would be ready to make a decision;
- and to go deep in the mountains to a church in **Carré in Camp Perrin**, in which the founder, Pastor Colbert of Beraud gave to me to "Mother" where on evangelism Wednesday with Pastor Hypolyte and 25 members, there was much witness and 10 young people prayed to receive Christ as their Savior. Praise the Lord, "We cannot stop thanking Him."

Please pray for the Church in Haiti and that many people will turn to God with their whole heart and want to share their most precious thing - their faith in Christ with others.
