Sept 12 "We stand in that faith. Rebels in Port-au-Prince by gunpoint are not letting gasoline trucks come to Les Cayes for two weeks.

This brings Les Cayes almost to a standstill. When a truck does get here, there are congested lines of trucks & vehicles trying to get the gas.

Merchants sell the gas by a beer bottle for 3-4 times the price. Our Bible seminar to be 150 was 70 people. A training of 300 was 2 & is rescheduled. We did another training in evangelism in a church Sunday afternoon for 10 members then went on evangelism for 45 minutes and led 1 young man to the Lord. PTL

On the way home we ran out of gas & there was none to buy. We walked from the main road 1-2 miles back to the church for pm service.

When we needed to go to a meeting for planning on 2 day evangelism we went by tap tap (pick up truck for public transportation).

Previously, I had invited a MEBSH pastor leader, Pastor Chery, who recognized me while I was on evangelism, to join the evangelism team.

So there is now a team of 4 pastors organizing the Les Cayes outreach: Pastor Emilio, president & Pastor Altima, member assoc protestant pastors, Pastor Chery, MEBSH, and Pastor Senat, CMBH. They want to have a celebration time in the evening of Nov 1 & 2 to praise God for results.

Pastor Prince & I will continue in evangelism and trainings as requested. Please pray for Gods will in His world & here. God bless you. — Mary"

Sept 25 "We continue to struggle from shortage of gas. An additional problem is that protesters are trying to force the president to leave by pressure of not allowing children to go to school.

In Les Cayes there is presence of UN to control violence in the street.

Lord willing we continue to pray and plan for 2 day evangelism in Les Cayes Nov 1-2.

We experienced a small earth tremor today. Praise God He is control of all things.

Since the 11 voodoo priests came from Africa to rededicate Haiti to the devil, Aug 14 and voodoo Haitians received

them, Christians prayed but God may let them have the devil and withhold blessings. Our church had a week of prayer for Haiti and asking God's forgiveness.

I am encouraging them to lovingly share truth of salvation in Jesus Christ with all including voodoo. Voodoo can't hurt the Christian because we are in Christ. PTL. Prayn4u2
