

The Connecticut Lanyon Family Homeland EST 1988

Greetings from Connecticut

Our Amazing American Heritage Is Rediscovered...

As we study it each week and see it's durability and resiliency rise to new heights!

Dear Beloved Family,

With inner joy abounding we realize we are among all peoples of the world most singly blessed as Americans. We hope that you will not let a lot of negativity surfacing today obscure the deep down faith and strength of average Americans making the most out of life today.

Psa 61:3-5 For You have been a shelter for me, A strong tower from the enemy. (4) I will abide in Your tabernacle forever; I will trust in the shelter of Your wings. Selah (5) For You, O God, have heard my vows; **You have given me the heritage of those who fear Your name.**

Each year we have so much to be thankful for, and the 'just-past' thanksgiving season is the perfect back drop for the beautiful Christmas season before us all. Let us drink in it's fulness and share it around us all.

Several years ago Pat put

together a tract that reminds us of this great gift we see at Christmas:

Romans 6:23b "The Gift of God is ETERNAL LIFE through Jesus Christ our Lord." Note these three brief points, then if you can, see it in full online:

1. You get it for free! (No cost!)
2. When you give it away you cannot lose it; yea, by giving it away, it becomes an enrichment to your own soul!
3. The receiver of your gift derives the same benefit by accepting and giving it away again! You benefit as well again! So Give Freely Friends!

After You Believe

...Be like a tree that bringeth forth ... fruit.

What to Do After You Become a Christian

First Things In the Christian Life

The Most Important Step I can take after

A Simple Bible Study on "Believing"

The Most Important Discovery I can make in the Bible is to realize that I, a sinful human, can have absolute total assurance that I have eternal life in heaven with God. This "blessed assurance" comes from a promise God made:

1 John 5:13

These things have I written unto you that believe on the name of the Son of God; that YE MAY KNOW THAT YE HAVE ETERNAL LIFE, and that ye may believe on the name of the Son of God.

The beloved disciple and apostle John wrote, under the inspiration of God, these reassuring words. The verse implies that gaining absolute total assurance depends upon a clear understanding of what "BELIEVING" is all about.

In the gospel (the fourth New Testament book), John gives another important verse

You Believe, Please see these online as well, if not enclosed herein.

Saints Depart Us in 2015

The following of our friends and 'adopted' family have departed, and we rejoice that most were fruitful believers we believe have gone to a great reward from faithful service.

In August, after seeing 2008 tract supplies dwindling, Pat worked up a resized-for-economy pair of the most useful tracts written and we paid to reprint them both: *A Simple Bible Study on Believing*, and *After*

– was Resident and Sunday History Class attendee at Riverside Health Care Center.

† Claudia Domrese

November, 2015– was former TBC member and co-worker with Chris on 1 account, also suddenly taken and greatly missed.

Our Health Issues

Pat's Laryngopharyngeal or 'Silent' Reflux, is worse now. He first saw a sleep specialist and did a home sleep study. There was enough evidence to order and purchase a CPAP. Research has indicated "Airway Reflux" as it is now called can affect this as well. The machine seemed uncontrollable for now. Reflux has now migrated beyond the vocal cords making a sore throat. He is 25+ lbs off his optimum weight. "Dropping Acid" diet is essential but to heal he realizes probably more will be needed soon to truly heal after suffering from 1983-2012. A documentary has helped us a lot recently, though not diagnosed: www.thetruthaboutcancer.com.

Newer Caravan after 12yr

We made the choice to replace our Grand Caravan from 2003 with a 2014 version in August. The sales rep was a pleasure to us.

More 'People' of Ministry

God has brought several people for us to serve in various ways and they have been a great blessing to us as we have sought to be to them.

Rose Fernandez –

Carpet Cleaning Client with spiritual interest.

Walter Grisevich –

Local nearby resident who invites us over each Monday for home cooking by Chris.

Maria Troulia –

Sunday PM TBC attendee who has Chris over each Friday to share faith together. She also provides our family with her home cooking.

David Edwin Computer Wiz

Has become the greatest blessing to us physically by cleaning for us while his brother is finishing up school. The sincere desire to help by giving to all others he knows is amazing to us. When he is not doing taekwondo or cleaning you will find him doing his real vocational love: COMPUTER TECHNICAL SERVICE!

Joseph 's PCC Graduation

Pensacola Christian College has been a great challenge for Joseph, and he is completing his Business Management major's highest level courses and should be back in CT about Dec 20. His Aunt Vicki has volunteered to help him return home this month, for which we are very grateful. Joseph greatly anticipates his May, 2016 Commencement.

Christine – Our Queen

Chris has not changed her loyal and faithful testimony as one of

the most beloved people in our church and her Sunday Class, our family, our neighbors, and our nursing home residents. She blesses everyone she meets with unfeigned heartfelt love that can be felt in person. Any who learn her testimony have a holy envy for the great choices she has and continues to make.

Conclusion

Let us pray for a renewed America.
