## EXTENDED HOMELAND VERSION CONTINUES:

We now live in a land subject to mass shootings touching concerts, and even the most sacred of our freedom-loving country: THE CHURCH HOUSE. We have experienced the vulnerability of life's total loss of possessions with flooding and fires destroying large indiscriminate sections of our 'sea-to-shining-sea.' These tragedies remind us where the true virtues of life really are: the loving of family, people, and not things that can be destroyed or swept away in an instant of time.

Friends, this applies to our nation as well because of the parallel blessings we have known. If we continue to ignore warnings from God about the spiritual state of our nation and continue to tolerate high abuses of power, we will see the end come swiftly upon us all. No nation like America exists in the world today should our nation dissolve and cease to be as it is today, none could replace it except as we seen prophesied in Scripture's millennium (Revelation 20).

### SNIPPETS: Mary Davis Has

#### Returned to Haiti

Since 2014 Chris' sister has ministered in Haiti with a Pastor who had her same vision for souls. She had to come to the US to deal with an injury to her wrist, but that has not prevented her from returning to the so needy of a mission field. You can stay up to date with her ministry at our site:

This year, after experiencing the horrific results of Hurricane Matthew first hand, she has seen over 100 souls won to Christ since she returned in September. This totals over 6 or 700 since she began this fruitful ministry. We greatly thank you each one for praying for her.

#### 30<sup>th</sup> Business Anniversary

We are celebrating 30 Full-Time years on October 19. That just doesn't seem possible, but it's true. In September we were offered a website hosting with a Church member who does that kind of work. You may view the new site anytime at our old url:

thinking NOT of the pain but the JOY of serving Christ!

Joseph has taken some trips out and about. He's visited college friends in PA, Washington DC, and Boston. He also LOVES to go on park excursions with his bike and friends. Joseph has become a great blessing to Our Family, to Truth Baptist, and to Pastor Harper in ministry. He also made himself busy this year setting up his bikes and then selling them on Craig's list. He truly has a gift to see a bike in his mind before he makes it available to a new owner for a most reasonable price!

Joseph Make Photo Scenes Live

He has really taken to using his Samsung Galaxy phone for pictures of amazing shots.

29<sup>th</sup> Wedding Anniversary. *We have been kept busy helping others and fitting the business for Joseph to run, and so vacations have been limited again this year. We hope to do something special next year for the 30<sup>th</sup> wedding anniversary!*
