2019 CT LIVING PRIVILEGE

Dear friends,

We greet you with thanksgiving and anticipation for the Christmas season. There are many blessings which have made us so grateful for living in America. But the Hope we have in Christ as Babe, Suffering Servant and Crowned King of Kings is our Supreme BLESSING!

Communicating with missionaries makes us aware of politics abroad and many nations are experiencing strife far more devastating than the current and relative peace in our media-reporting-as-divided American nation.

But in America we have a land where immigrants willingly give up their citizenship and all possessions of home to illegally enter our borders just to have a place free from anarchy. How many OTHER countries must only build walls to keep their citizenry INSIDE? Yet in America we can still celebrate The Savior born in a Manger to give us this liberty, peace and freedom to prosper in a nation like NONE ever before us, and if we believe biblical prophesy, NONE hereafter. Therefore we continue urging all Americans to change the way you pray for America before we lose our nation completely to this world's unchanged history of tyranny and oppression.

Taking Mary to the CT Airport this year.

The Great Works of Mary Davis in SW HAITI

Mary is the older sister of Christine who chose to leave her Ohio homeland comforts and take Social Security to support herself in SW Haiti in 2014. She witnessed in over forty fairs before her 5 years service in Haiti. 1200 have made professions in Haiti in that time. Even with the current danger and strife in Haiti, 30 in November have professed faith in Christ. She was twice at gunpoint and delivered by prayer. She offered them a Bible, then left unharmed! Pray

for her, and for another laborer or couple to come alongside. See more at:

An Alabama Trip Brings Big Surprises

Keith & Marilyn

Dr. & Mrs Ray Thompson

To those who have prayed for me, Patrick, I thank you concerning my Acid Reflux health struggles. Christine and I drove to Alabama in September to a retreat for health's sake. We received a warm welcome from the Barry Family in VA who are friends formerly of Truth Baptist. Our next stop was at Pat's TN Temple friends, the Dunsmore family. (pictured) What a wonderful blessing of God! On the return trip Chris asked to visit a friend in Powder Springs, GA totally surprising them. Martha Austin's husband, Joe, was in a car accident leaving him in the hospital for three years. Chris was happy to see his recovery after not seeing them for over thirty years. After returning to TN Chris was able to meet Dr. Ray Thompson and his wife, who attend the same church as the Dunsmores. Dr. Ray Thompson, of Baptist International Missions, has had serious heart issues since then. All of these friends gave us Spirit-guided help and recommendations.

Living Springs Retreat –
Our Wednesday Lunch

The retreat, itself, taught us the virtues of a vegan diet, but with Pat's low weight profile, it was not recommended for us to adopt it 100%. Pictured is the first meal allowed after a 3 day juice fast there. I have purchased a Re-bouncer to build my core and now am seeing a Chiropractor to connect spine nerves that could restore my malfunctioning valves, and we also purchased a water filtration tank

May God richly bless you.

Luke 1:31 "And behold, you will conceive in your womb and bring forth a Son, and shall call His name JESUS. 32 "He will be great, and will be called the Son of the Highest; and the Lord God will give Him the throne of His father David. 33 "And He will reign over the house of Jacob forever, and of His kingdom there will be no end."

An Everlasting Greatness, Jewish Nation, King of Kings, & Kingdom!

Love,
From Pat,
