Dear Beloved Family & Friends

Merry Christmas & Happy New year, 2020!

Dear friends,

We greet you with thanksgiving and anticipation for the Christmas season. There are many blessings which have made us so grateful for living in America. But the Hope we have in Christ as Babe, Suffering Servant and Crowned King of Kings is our Supreme BLESSING!

2019 PRIVILEGED CT LIVING— In America we have a land where immigrants have come to our border who willingly give up their citizenship and all possessions of home to enter AT ANY COST. And representation of the real Americans is quite visible in rallies all over the country. Good government is so hard to find and even harder to preserve. Thank God for it when it fears HIM! In America we can still celebrate The Savior born in a Manger to give us this liberty, peace and freedom to prosper! Therefore we continue urging all Americans to change the way you pray for America so we lose not our nation completely to this world's unchanged history of tyranny and oppression. The Great Works of Mary Davis in SW HAITI

Mary is the older sister of Christine who chose to leave her Ohio homeland comforts and take Social Security to support herself in SW Haiti in 2014. She witnessed in over forty fairs before her 5 years service in Haiti. 1200 have made professions in Haiti in that time. Even with the current danger and strife in Haiti, 30 in November have professed faith in Christ. She was twice at gunpoint and delivered by prayer. She offered them a Bible, then left unharmed! Pray for her, and for another laborer or couple to come alongside. See more at:

An Alabama Trip Brings Big Surprises

To those who have prayed for me, Patrick, I thank you concerning my Acid Reflux health struggles. Christine and I drove to Alabama in September to a retreat for health's sake. We received a warm welcome from the Barry Family in VA who are friends formerly of Truth Baptist. Our next stop was at Pat's TN Temple friends, the Dunsmore family. (pictured) What a wonderful blessing of God! On the return trip Chris asked to visit a friend in Powder Springs, GA totally surprising them. Martha Austin's husband, Joe, was in a car accident leaving him in the hospital for three years. Chris was happy to see his recovery after not seeing them for over thirty years. After returning to TN Chris was able to meet Dr. Ray Thompson and his wife, who attend the

same church as the Dunsmores. Dr. Ray Thompson, of Baptist International Missions, has had serious heart issues since then. All of these friends gave us Spirit-guided help and recommendations.

Living Springs Retreat –  
Our Wednesday Lunch

The retreat, itself, taught us the virtues of a vegan diet, but with Pat's low weight profile, it was not recommended for us to adopt it 100%. Pictured is the first meal allowed after a 3 day juice fast there. I have purchased a Re-bouncer to build my core and now am seeing a Chiropractor to connect spine nerves that could restore my malfunctioning valves, and we also purchased a water filtration tank.

#### David & Joseph Cleaning Team

Late last year an associate of ours in business retired his business and graciously is referring ALL of his clients to our Carpet Cleaning arm of the business. Joseph has taken over driving the truck since 2015 and David has helped all spring, summer and into the winter cleaning. Often we have received compliments at how they work together.

We are incredibly thankful for their labor together.

David is far more than just a Carpet and Janitorial cleaner. His skill in computer repair is high and extensive. Most recently he was, in 2 short days, able to clean, partition and replace a non-working Windows 10 operating system with a working one and get the TBC Pastor's system fully restored. This computer contained all the new building's drawings for our addition.

Joseph is far more than a business manager and Carpet cleaner as well! Joseph's greatest passion is being a sensitive servant to church ministry and friends, and vocationally his heart is bicycling service repairs. Also with his camera-phone he takes breath-taking photos of parks and all kinds of landscapes. There's too many to include here, but much is available on his Facebook

We are so very thankful for your prayers and for the grace of God to us all.

Luke 1:31 "And behold, you will conceive in your womb and bring forth a Son, and shall call His name JESUS. 32 "He will be great, and will be called the Son of the Highest; and the Lord God will give Him the throne of His father David. 33 "And He will reign over the house of Jacob forever, and of His kingdom there will be no end."

May God richly bless you.

Love,

From Pat,
