

'Beet Pot Valentine'

Please be all Mine,  
My Beet Pot Valentine.

How great for me,  
If you would really.

Surrender all your love  
Like a gentle turtle Dove.

I think of you all the time,  
Without you I just whine and pine.

With you at my side,  
I'd be satisfied.

My spirits would fly,  
So high in the sky.

It would be a dream come true,  
If I had all of you.

I could not ask for more,  
This would be the ultimate score.

Happy Forevermore!

I would be complete,  
With you I would find relief.
