HAPPY NEW YEAR

As we begin a new year, we would like for you to consider beginnings and their consequences upon us all. There are those among the populations that believe the earth is not able to adapt to the population growth, and that there is an alarming problem not being addressed. We encourage you to watch this 5 minute video, but now let's consider what God said when creating Earth originally.

[\[https://www.prageru.com/video/climate-change-whats-so-alarming/\]](https://www.prageru.com/video/climate-change-whats-so-alarming/)

In [Gen 1:22-23](#) And God blessed them ["every living thing that moves"], saying, "Be fruitful and multiply, and fill the waters in the seas, and let birds multiply on the earth." (23) So the evening and the morning were the fifth day.

If you look at the following verses you will find out that God's very nature is excitedly compelling to bless His creation with a created world He intended for them to "be[come] fruitful, multiply, subdue [overcome, quieten, or bring under control] and fill [To cause to abound; to make universally prevalent]" the Earth! <
[Gen 1:28](#) Then God blessed them, and God said to them, "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth.">

God's Reproducing Creative Heart, and It's Implications

The above verses clearly indicate that it is God's will for us to accept the earth He has created and apply the wisdom He has given for us to find and utilize this treasure from Him.

It is true the earth has suffered from the fall of man in [Gen 3](#); and that it is pictured as "groaning and travailing in birth pangs" until it experiences "glorious liberty!"

RO 8:21-22 {because the creation itself also will be delivered from the bondage of corruption into the glorious liberty of the children of God. [22] For we know that the whole creation groans and labors with birth pangs together until now. }

We find that God promised fruitfulness and things like abundance without limits apparently if there was a desire to obey when He spoke to Adam & Eve, to Noah, Abraham, Ishmael, Isaac, and through Moses even to Israel while still in Egypt. They were given "promised land" that flowed with "milk and honey" as a promise in 16 passages!

Joshua was given this incredible promise: (1:)[8] "This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may

observe to do according to all that is written in it. For then **you will make your way prosperous, and then you will have good success.**

Paul says in 2 Cor 9:[8] And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may **have an abundance for every good work.**

[10] Now may He who supplies seed to the sower, and bread for food, **supply and multiply the seed you have sown and increase the fruits of your righteousness,** [11] while you are enriched in everything for all liberality, which causes thanksgiving through us to God.

What does all this and more mean for us in 2020? It means God is more willing to provide abundance and multiplying grace for us this year that we are willing to work for it's receipt to us personally!

Conclusion for 2020 is that we can pray for incredible blessing in 2020!

Col 1:[9] For this reason we also, since the day we heard it, do not cease to pray for you, and to ask that you may **be filled** with the knowledge of His will in all wisdom and spiritual understanding; [10] that you may **walk worthy** of the Lord, fully pleasing Him, **being fruitful in every good work and increasing in the knowledge of God;** [11] **strengthened** with all might, according to His glorious power, for all patience and longsuffering with joy; [12] **giving thanks** to the Father who has qualified us to be partakers of the inheritance of the saints in the light.

What "saint's inheritance" will you claim for yourself this year?
